

What to expect at Quality Physical Therapy

When you arrive, please call the office to check in. We will be asking pre-screening questions. We will have you wait in your car until your therapist is ready.

You need to wear mask at all times in our office.

Your temperature will be taken when you enter our office. If you don't have a fever, you will be asked to wash your hands to prepare for your appointment.

If you do have a fever, we ask that you reschedule your appointment.

If you have insurance, your first appointment will be a re-eval.

All appointment times will be shorted a little bit in effort to clean in between each patient.

Thank you for your cooperation in keeping everyone safe.
